

To Whom It May Concern:

I am pleased to be able to write a letter on behalf of R5 Productions. On multiple occasions R5 has come to our school and addressed students on the issue of respectful relationships. The students are always so enthralled they request that we bring them back every year. R5 Productions have presented keynote sessions at state and national Family, Career and Community Leaders of America conferences and they continue to be brought back each year.

The members of R5 Productions conduct themselves in a professional manner and they relate well to students of all ages. Each member presents his or her message because they have a desire to help others and make their lives better. Because of their focus on working with youth, R5 Productions has a reasonable speaking rate that enables most any size school to book them. Mr. Donahue is a positive role model and exhibits the behavior he encourages others to demonstrate. He is prompt, courteous, reliable and flexible. In all of his presentations, he inspires students to think, laugh, and make positive changes in their lives.

I have enjoyed working with R5 Productions and I plan to continue my working relationship with them. They are a group of people with a sincere desire to better the lives of others. I hope you have the opportunity to hear them present, you will not be disappointed.

Sincerely,

Michelle McCartney  
Selah High School Activities Director
